Counsel:

Please find attached a draft Second Amended Answer to Singular's FAC, which additionally pleads an inequitable conduct defense. Because the case is currently stayed, we do not intend to move to amend at this point in time. Instead, Google sends this draft now to provide Singular notice of the proposed amendment and to alleviate any concerns of undue delay if the stay is lifted. We are available to meet and confer should you wish to do so.

Regards,
Deeva
